

**LC 4** (rising 12th grader/senior),

*Annual Registration Time has arrived!!*

This is the experience that will wrap up everything you have learned over the past 3 summers. Your last summer session as a high school Wyman Teen will be filled with many college preparatory activities. Also, your leadership class will embark on a huge community experience that will portray the true leaders that you are. Although you all won't be traveling from city to city like last year, you will be able to get a big start on preparing for the college application process that will begin in a few months. More information will be given in your confirmation packet.

Please use the following checklist to verify that you have completed EVERYTHING prior to returning the packet to us. This helps out our team and ensures that you will receive your preferred session. Confirmation packets will be sent to those with completed registration packets in the spring. If you have any questions, please contact Tara Burnett, our TLP Admin at (636) 549-1222.

**BEFORE YOU MAIL THIS BACK TO US, HAVE YOU.....**

- Completed the ENTIRE packet?  
(Signed every line, checked every box, and put your name on EVERY page...)
- Completed FERPA Form?
- Included a copy of the front and back of your Health Insurance card?

Seriously, I promise I have filled out everything, triple checked, and placed it in the enclosed pre-addressed envelope.

***Return the WHOLE packet, completed by MARCH 28th, 2016***

\*If there is any concern that you cannot come, continue to fill out this packet and contact Wyman ASAP.
