

WYMAN SUMMER FEST

AUGUST 11, 2017

June 2017

Dear Friend,

Success is the vision we have for all of our nation's youth — a time when all young people will have what they need and deserve to thrive. **At Wyman, we are fiercely determined to bring this vision to life.**

Young people in our programs continue to defy the odds against them, even when over 50% of young people in the St. Louis region live in poverty. It is because of their untapped potential, tenacity and ability to thrive, that we drive toward our mission each day.

- **100 PERCENT** of young people graduate from high school on time when participating in Wyman's **Teen Leadership Program**, compared to only 82 percent of their peers nationally.
- **100 PERCENT** of young people are accepted into post-secondary colleges and universities when participating in Wyman's **InspireSTL program**, compared to only 69 percent of their peers.
- **\$4 MILLION** in scholarships have been awarded to Wyman's current college freshman.
- Wyman teens have committed **hundreds of hours of community service**, and used their voice to lead change in their communities.

JOIN US to celebrate the accomplishments of these teens and to show that you STAND WITH THEM on **Friday, August 11, at the Norman K. Probstain Golf Course and Clubhouse in Forest Park for the Wyman Summer Fest: Together in the Pursuit of Success.** Help us knock down the barriers in their path – as they PURSUE SUCCESS.

Summer Fest will feature an inspiring program with Wyman teens, dessert food trucks, cocktails on the patio, food stations and music under the stars. Guests can play in our unique late-afternoon, nine-hole golf tournament with course options for both experienced and aspiring golfers, along with Wyman teens. Guests can also invest by attending just the evening celebration festival.

This year, we are offering two sponsorship types, each with several levels: the Golf Sponsorship, which supports an afternoon of golf for the experienced, the aspiring golfer, and Wyman teens; and the Celebration Sponsorship, which offers an evening of fun to celebrate and invest in our outstanding young people as they embark upon their next journey.

Wyman teens are succeeding at astonishing rates, higher than their peers, and we are morally and economically driven to see more of them succeed. This is your unique opportunity to ensure we don't miss out on an entire generation of proven leaders.

Join Us. Stand With Them. Invest Now.

Sincerely,
