

WELCOME BACK!

Welcome to the new school year! TOP is a social emotional learning program where students can build their skills when it comes to communication, problem-solving, empathy, decision-making, emotion management, responsibility, and so much more. Students are then able to practice those skills while giving back to the community and doing community service learning (CSL) projects. So far this school year, students have created messages of positivity for teachers, talked about ways to have clear communication, thought about the ways social media can affect teens, and spoke up about bullying. We are so excited to start a new year of TOP with all these awesome 6th graders!

MEET OUR STAFF

Cheezy, Denim, Bagel and Egg have all been enjoying facilitating the new 6th graders at Wedgwood and Johnson-Wabash 6th grade centers. Bagel and Egg joined the TOP team this year and are both loving it! Bagel is a full-time TOP specialist and Egg is a practicum student, working towards her MSW. They both have had various experiences working with young people in camps, as coaches, and in school settings. Cheezy and Denim are sharing their knowledge and skills with the team, and they are all having a great time facilitating together.

Question of the Day

CLUB VISIONS

CREATING A SAFE SPACE WITHIN TOP

Check out our club visions and club names that we created for every TOP club this year so that TOP can be a safe space where students feel comfortable being themselves.

QUESTION OF THE DAY

WHAT IS ONE THING YOU WOULD LIKE TO GET OUT OF TOP THIS YEAR?

We asked our students to tell us what they would like to get out of TOP this year. Check out the word cloud that shows all their wonderful responses!
