

WYMAN WEDDINGS

PAYMENTS, INSURANCE,
SERVICES, AND CATERING

SUBMITTING A CERTIFICATE OF INSURANCE (COI)

Wyman requires proof of insurance from vendors, contractors, and third-party facility users before any services are rendered. This requirement can be satisfied by submitting a Certificate of Liability Insurance.

Contact your insurance agent(s) that handles your general liability, automobile and worker's compensation coverage. Request a COI that lists these details:

- "The Wyman Center, Inc. 600 Kiwanis Drive, Eureka, MO 63025" as the Certificate Holder
- Commercial General Liability with a combined single minimum limit of \$1,000,000 per occurrence for bodily injury and property damage
- Worker's Compensation with the statutory limits required by state law
- If applicable, Automobile Liability with a minimum limit of \$1,000,000

If you are planning to be on Wyman facilities, but do not have proof of insurance or have insufficient insurance coverage:

Wyman will automatically purchase a Tenant User's Liability Insurance Policy (TULIP) and add \$265 to your invoice. TULPI is a low-cost insurance policy that protects both the facility user and Wyman. The policy applies to bodily injury and property damage on Wyman Campus.
