

# JOHNSON WABASH

## Wrapping Up This Semester

This school year has been flying by! We've been talking about a lot of different topics. Students have explored what love means all the way to exploring different career options. In March, we spent time giving back to the community with our CSL field trips. It's hard to believe this year is coming to an end, but we still have so much more planned. Before we go, students will get to enjoy a TOP Celebration with fun Minute to Win It games and reflect on the school year.

## Last Day of School

May 31st

## This semester's topics:

- Self Care, Stress, and Mindfulness
- Conflict Resolution
- Future Goals
- Relationships

Proud partner of

## Student Spotlight:

We asked students what has been the best part of TOP and 1 thing that they are going to miss. Check out what they said below.

miss

Learning about different topics  
CSL Field Trips  
Making new friends

Creativity  
TOP facilitators  
All the fun memories we made  
Chicken Check-In  
Snacks

TOP students at Johnson-Wabash were able to take off-site CSL field trips this spring! Huge shout-out to Mr. Frazier for helping orchestrate our transportation and the support from the JW Staff! Students who volunteered at The J either helped with cleaning the fitness center, playing with kids in the early childhood center, helping create Meals on Wheels lunches with the adult day center participants, and gardening. For students that volunteered at Camp Wyman, activities included landscaping, brush clean-up, laying out fencing for goats, and rock painting for camp's walking trails. Students worked so hard and showed up ready to jump into any task. The opportunity to practice our SEL skills directly with those we are serving was certainly a highlight.

WELCOME BACK!
