

# WEDGWOOD

## Wrapping Up This Semester

This school year has been flying by! We've been talking about a lot of different topics. Students have explored what love means all the way to exploring different career options. In March, we spent time giving back to the community with our CSL field trips (in-school field trips). It's hard to believe this year is coming to an end, but we still have so much more planned. Before we go, students will get to enjoy a TOP Celebration with fun Minute to Win It games and reflect on the school year.

## Last Day of School

This spring, students participated in a CSL Extravaganza to create a variety of projects to donate to local organizations and even spread some gratitude for teachers here at Wedgwood. Students had the choice in making baby bibs that were donated to Nurses for Newborns, braided dog toys for The Women's Safe House, or suncatchers for a few early childhood centers. Students also had the opportunity to paint a canvas bag or flower pot to give to a teacher at Wedgwood that they appreciate. It was a blast to see all their creativity flowing!
