## Spring 2025 Experiences Catalog

**Please note:** This catalog only features brief descriptions and estimated rates of Experience packages. Prices and availability may vary depending on your specific needs or time of year. Most of these activities are self-led experiences prepared for up to 15 people and priced per person unless otherwise noted. If your group is over 15, consider purchasing two packages- and so on.

Experience options may change or grow. Please consult with a Sales representative or Experience manager to check our current options, discuss details of each package, go over expectations and policies, and assist in creating and planning your next experience at Camp Wyman!
