Make a Bigger Difference for Missouri Teens —
At a Lower Cost to You

Youth Opportunity Program (YOP) Tax Credits

Wyman has been awarded a limited allocation of Missouri **Youth Opportunity Program (YOP)** tax credits to support the **Teen Outreach Program (TOP)**, an evidence-based program that helps young people build life skills, strengthen relationships, and avoid risky behaviors.

Why Make a YOP Gift?

A qualifying gift to Wyman may provide:

- A 70% Missouri state tax credit on your donation*
- A federal charitable income tax deduction if you itemize*
- The opportunity to redirect tax dollars to help local young people thrive
- Support for a nationally recognized, evidence-based youth development program

Who Qualifies?

Individuals and businesses with Missouri tax liability may be eligible to receive YOP tax credits if:

- Donor is increasing their annual gift to Wyman or donating to Wyman for the first time
- Donation amount is generally \$2,500 or more
- Donation is made via check, credit card, or stocks.

Tax credits are limited and available on a first-come, first-served basis.

Why Now?

The state of Missouri recently increased the YOP tax credit benefit to 70%, creating one of the best charitable giving incentives available in the state.
