IMPORTANT DETAILS TO CONSIDER:

Guest Linens and Towels

- Guests will need to bring their own bedding, pillows, and towels.

Golf Cart Rentals

- While Wyman does not provide golf carts, you are welcome to rent them through an outside vendor. They're a great way to assist guests with mobility needs or to add a fun touch to your day. A waiver will need to be signed.

Weather Backup Plan

- In the event of rain or inclement weather, we'll work closely with you to move your ceremony to one of our indoor spaces. We're committed to making your day special, rain or shine.

Trash & Recycling

- We provide trash and recycling bins but ask that you and your guests help minimize waste. Wyman follows sustainable practices and encourages leave-no-trace principles.

Clean-Up Expectations

- Our team will manage trash removal from shared spaces like the Dining Hall, Kling Hall, and pavilions. Guests are responsible for cleaning up cabins and private areas. A clean-up checklist will be provided in advance.

Accessibility

- Several of our buildings and outdoor spaces are ADA-accessible. If you or your guests need special accommodations, we are happy to help ensure everyone feels welcome.

Quiet Hours/Shared Space Use

- Unless you have Camp Exclusivity, Camp Wyman may be hosting multiple groups or overnight guests. All amplified sound must end by 10:00 PM to respect shared spaces, our surrounding community and natural environment.

Outdoor Essentials

- As Wyman is a nature-based venue, we recommend guests bring sunscreen and insect repellent- especially during warmer months- to stay comfortable while enjoying the outdoors.
- If utilizing our outdoor spaces, comfortable footwear and layers are encouraged.

Cell Service & Wi-Fi

- Cell reception can be limited in some areas of the property, and Wi-Fi access may not be available or is limited to select buildings. Plan accordingly for music streaming, communication, or vendor coordination.

Lighting After Dark

- Some areas of camp have limited lighting in the evenings. Guests are encouraged to bring flashlights or use phone flashlights for safely moving between buildings or cabins after dark.

Vendor Arrival & Access

- Please coordinate timing and access needs with your wedding coordinator in advance so vendors know where to load in and park. Extended setup time may be arranged upon request.

Use of candles and fire elements

- Open flames are not permitted indoors due to fire safety policies. Battery-operated candles are encouraged. Outdoor fires or pyrotechnics require prior approval and proper supervision.
